Ages 4-8: Our Lil' Ninjas will develop basic skills such as running, jumping, balance, strength, and coordination. We will introduce ninja skills and courses including warped walls, rings, cargo net, and more ANW style obstacles in a FUN environment. This class is an excellent opportunity to develop skills and confidence for our older Warrior Zone classes.

About the Owners

We are the owners of Warrior Zone. We have two incredible children, Luke and Gracyn. Our ninja journey started when John had the opportunity to participate on the show American Ninja Warrior! John has always been very active and loves to climb and swing on things, so ninja is a perfect fit!

Ages 9-12: Jr. Ninjas will swing, jump, climb, and more! We will teach & practice ninja skills and obstacles in fun and challenging ways. Along with building strength, balance and coordination, Jr. Ninjas will develop valuable social skills such as following directions, teamwork, problem solving, and group communication.

Christ Covenant Camp is so excited to announce it's partnership with Ninja Warrior Zone this Summer. Registration begins February 1st.

As a family, we asked God to guide us in the next step with our ninja journey after the show. We knew God had a plan and purpose for leading us into the love of ninja as a family. We didn't know it would lead to us owning a ninja gym, but it did and for that we are very grateful! We want to help people grow to love the sport of ninja! We hope to create an environment of encouragement and inspiration too. Ninja has opened many doors for our family. John has had opportunities not only to participate in various Ninja events and competitions, but also to speak at different events and churches.
