### ABOUT ME

I graduated from East Carolina University with a B.S. in Dance Education. My license and certification are Dance K-12. This is my 20<sup>th</sup> year teaching dance in the public schools of eastern North Carolina; however, I have been teaching dance in a private studio for twenty-seven years. I have been the owner and artist director of my own studio in my hometown of Ahoskie for the past thirteen years. Along with running the studio, I currently teach middle school in Winterville.

**From the Dancer...** In this camp, students will explore animals through dance, stories, and crafts. If your student loves to dance and animals, this camp is for you!
