**From the Baker...** We are so excited to spend a week with your Junior Baker! The focus of this camp will be baking and decorating cookies! Kids will be hands-on in the kitchen learning to prepare ingredients, bake, and ultimately, create their own work of art on a cookie! We will practice color mixing to get that shade of icing just right for your child's unique cookie design! Baking is a lifelong hobby that can be built upon and enjoyed with family for years to come! This is a perfect camp for artists, bakers, and anyone who enjoys eating cookies!
