<u>Dates</u>	<u>Cost</u>
July 18-22, 1pm-4pm, Rising 4 th -12 th	\$175

About the Teacher

I grew up here in Winterville, NC before attending college at Clearwater Christian College in Clearwater, FL. I received my Bachelor's degree in Math Education from CCC in 2011, and then returned home to Greenville to attend ECU for grad school. I earned my M.A.Ed. in Secondary Math Education from ECU in 2013 and taught with Pitt County Schools for one year before coming to Christ Covenant in 2014.

I enjoyed teaching middle and high school math at CCS for six years. Our son, Tyler, was born in September 2020, and I have loved being able to stay at home with him since then. In my free time, I love spending time with my family and friends, traveling, doing crafty things, or reading a good book...especially in a nice relaxing spot outside.

From the Teacher... Do you love a good mystery? Decoding challenging puzzles? Working against the clock? Then join us for an exciting week of all things ESCAPE ROOM. We will work in teams to break out of a couple different escape rooms, and then become even more expert "escape artists" as we design and run our own escape room! We will learn some behind-the-scenes strategies for what makes a great escape clue, develop our own immersive storyline, study different puzzle types and systems for puzzle flow, and experiment with some fun "extras" like invisible ink, black lighting, themed props, and different types of locks.
