**About Camp...** Aligning with the purpose of American Girl, we seek to bring out the joy of girlhood. Through adventurous stories and imaginative play, we give girls the chance to find inspiration to be their best, to grow a strong mind and spirit, to laugh while learning to be resilient, confident, and kind.

They will receive a special visit from Carolina Cotillion's Ann Cherry, a CCS grandparent and a private etiquette instructor. She will teach these ladies the dos and do nots of proper etiquette, while focusing on the seven pillars of Christ Covenant School...respect, order, unity, diligence, integrity, humility, and courage. Watch your child grow spiritually and socially, while building confidence along the way.

Currently a student at the University of North Carolina at Wilmington, Scarlett is a Christ Covenant School alumnus. She grew up dancing for ten years prior to serving as a member of the CCS Prefect Council. Scarlett helped see to the launch of Christ Covenant Camp last Summer as a graduate and is looking forward to spending her time with us again this Summer!
