### Did you know?

Basketball was originally played with a soccer ball and peach baskets, with referees having to retrieve the ball each time a player made a basket.

In 1900, the string baskets we know today were introduced to the game and, later, backboards were attached to prevent spectators from blocking a shot.

### About the Coach

My name is Lynn Seyler. I am a wife to an awesome husband, John, and mom to six amazing kids, four of whom attend CCS. I have been brought up around sports my whole life and love to watch and play them. I played Varsity basketball in high school and played on an Army women's team at Fort Gordon, while I was in nursing

school. I have coached 8th grade girls basketball in Michigan, Ayden Parks and Recreation boys/girls basketball for several years and for the past five years, helped coach the CCS Varsity girls basketball team. My passions are helping others, trying to get dogs and cats adopted, and Loving Like Jesus.
