About Me

My name is Anadi Nava. I was born in Anaheim, CA and my family moved here to Winterville, NC in 2007. We love it here and feel like this is our home and wish we would have moved sooner. My husband and I currently have two children at CCS. My daughter Kailey is in the 8th grade and my son Kalan is in the 2nd grade. I love teaching Spanish to our Upper School kids and then in the afternoon I am blessed to join the Lower School and help with kindergarten. We have a little zoo in our house. We have two ferrets, four chinchillas, three cats and we recently added a dog to the mix. We love to travel as a family and explore places we have never been before. I look forward to having your children be a part of my summer camps.

From the Spanish Instructor…

Why Spanish? Spanish and English both have Latin roots. Speaking Spanish makes understanding these other languages a lot more straightforward. Nourishing the curiosity of children with Spanish-language concepts can make it easier for them to understand English grammar. When kids exercise their minds in this way, it can boost their memory, concentration, problem-solving abilities, and creativity. I'm so excited to come alongside your child to explore the Spanish language.
