From the Teacher...

Music Olympics is a fun week filled with learning and reinforcing musical concepts by playing games. Many of the games involve lots of running/movement, require cooperation and teamwork, and sometimes water, so you may need a swimsuit! There will be a small group time with instruction in guitar or ukulele! No prior music background is required, but to be in the guitar small group you need your own guitar. Ukuleles will already be on site. An awards ceremony will honor our Music Olympians on the last day!
